5 REASONS FOR CHOOSING PM IAS TEST SERIES

Subject-wise Mock Tests

01

Prelims test series usually consists of mock tests for each of the subjects covered in the UPSC Preliminary examination, including General Studies Paper-I and CSAT (Civil Services Aptitude Test).

Full-Length Mock Exams

02

These are comprehensive practice tests designed to mimic the actual UPSC Prelims exam, including both GS Paper-I and CSAT. This helps aspirants get a feel for the real exam environment.

Current Affairs Tests

03

Regular tests on current affairs are conducted to keep candidates updated on recent events and issues, which are crucial for the Prelims examination.

Performance Analysis

04

After each test, students receive detailed performance analysis, including subject-wise scores, strengths, and areas that need improvement.

Question Paper Discussion

05

We conduct discussion sessions after each test to review the questions, provide explanations, and clarify doubts.

MASTER THE MAINS

GS Paper Tests

Mains test series includes practice tests for each of the four General Studies papers (GS Paper-I, II, III, and IV) to ensure that candidates are well-prepared for the Mains examination.

Optional Tests

If a candidate has opted for an optional subject, they can expect tests dedicated to that subject, providing comprehensive coverage of the syllabus

Essay Writing

Essay writing is a crucial component of the Mains examination, and test series often include regular essay practice sessions.

Answer Writing

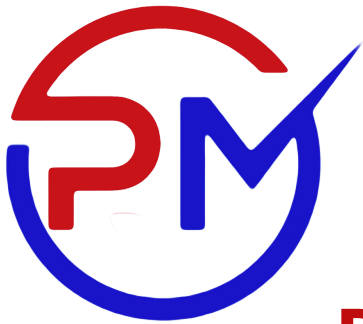

Candidates are given questions for answer writing practice in a time-bound manner to improve their writing skills and presentation

Evaluation and Feedback

Answers submitted by candidates are evaluated, and detailed feedback is provided to help them understand their strengths and weaknesses.
